

## Installation Optional

Available as an electric or petrol (gasoline) powered unit, Rainman water makers can operate as a self contained portable appliance or installed in your vessel. It's an economical system designed for those preferring minimum complexity.

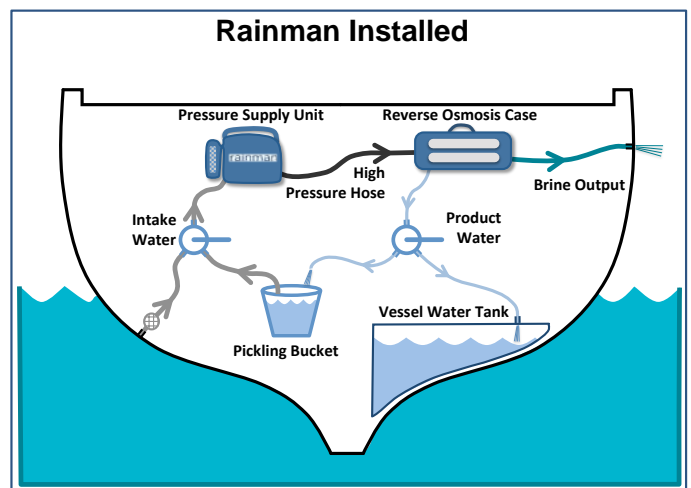

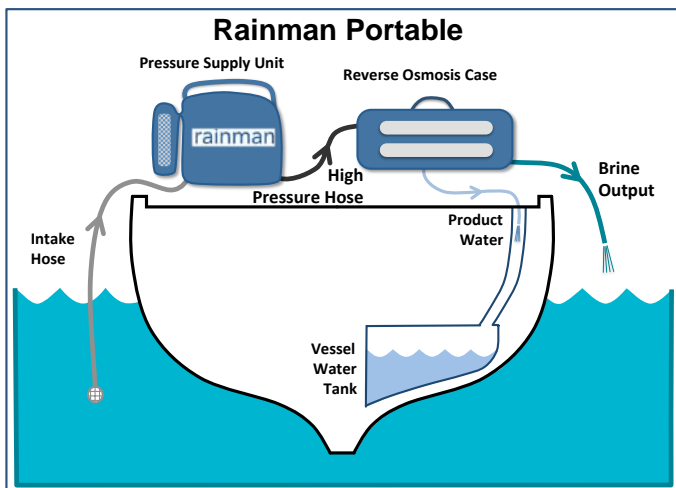

## Low Cost Of Ownership

Our system is simple, robust, and designed for ease of use and maintenance. This fresh approach to desalination eliminates unnecessary componentry and electronics. Not only will the initial cost of a Rainman water maker for your boat be less than other systems, the simple design and high build quality means ongoing maintenance cost will be lower.

## High Output

With multiple options available for the reverse osmosis membranes, our high output version makes 100 – 140 litres per hour (23 – 32 gallons per hour) of fresh drinking water.

## Which Rainman Is Right For You?

### Step 1

Choose Pressure  
Supply Unit Option

#### Electric

230V/50Hz or 115V/60Hz  
1300W

Min generator required: Honda 2kW

#### Petrol / Gasoline

Honda 50cc 4 Stroke Motor  
No External Energy Source Required

### Step 2

Choose Reverse  
Osmosis Option

#### High Output

2 x 40" RO Membranes  
100 – 140 lph (23-32 gph)

#### Compact

2 x 21" RO Membranes  
50 – 70 lph (12-16 gph)

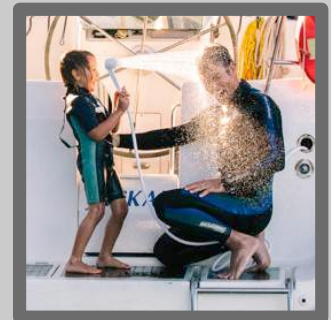

#### Economy

Single 40" RO Membrane  
50 – 70 lph (12-16 gph)

### Step 3

Enjoy Unlimited  
Fresh Water

Drinking  
Washing  
Cleaning  
Cooking  
Showers

#### + Optional Pressure Gun

Doubles as salt water  
pressure washer

## Additional Information

- Optional flow gauge for using system in brackish or fresh water applications
- Great for people who cruise and race by offloading the weight to lighten your boat
- Simple process to "pickle" the reverse osmosis membranes for long term storage
- Doubles as a salt water pressure washer with optional pressure washer gun
- Take your Rainman water maker with you when you upgrade to a new boat
- Non-proprietary filters, membranes and replacement parts for ease of service worldwide
- Easily transferred between boats, this is ideal for sharing among friends or club rental unit
- Top quality major components: Honda, Dow Filmtec, General Pump, Jabsco
